Dear Wayne CSD - Students, Staff, Parents, and Residents:

Welcome to the 2019-2020 school year in the Wayne Community School District. This year promises to be a great year for all of us. I am very honored and excited to work with all of you as Superintendent of Schools. In the time that I have worked here, school and community pride is evident from many people. I truly believe we are better when we work together!

Stacy Snyder

Secondary

Principal

Ph: 641-872-2184

F: 641-872-2091

For those of you that I have not had a chance to meet, I would like to share a little about myself and my family. I am married to my wife Alicia and we have two kids. Alicia works in the surgery clinic at Greater Regional Medical Center in Creston, Iowa. Our daughter Teya, is currently attending Northwest Missouri State University in Maryville, Missouri and is majoring in biology. Our son Carter, will be attending the electrical technology program at Southwestern Community College in Creston this fall.

Boyd Sinclair

Elementary

Principal

Ph: 641-872-1034

F: 641-872-2543

As superintendent of Wayne CSD, I am very excited to partner with members of the community to provide our students with the opportunity to gain the skills and knowledge needed to succeed beyond the structure of our school system. This includes being productive citizens, effective parents, qualified employees, prepared for college, and moral and ethical leaders in society. The staff at Wayne CSD is devoted to working with students to increase achievement in all curricular areas.

Again, I am very excited for this opportunity and look forward to working with everyone in the school and community. If you have questions or concerns, please feel to reach me at 641-872-2184.

Sincerely,

Mike Still, Superintendent
